July 11, 1679 Bischwiller to approximately 70 years, buried to Oberhoffen on Moder, soldier to the castle of Lichtenberg, where his presence is certified since 1664. It has not been possible to this day to specify its origin place and its filiation; its name certifies perhaps that himself or more probably one of its ancestors originated from Helmlingen, small village formerly fishermen, situated to approximmately 20km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St.++Guillaume(Strasbourg) in the middle of 16eme century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of Helmlinger. Unfortunately all these suppositions are very haziness, and could have been contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not been found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth all calculated according to the age of the defunct.

PAGE 704: CHRISTIAN HELMINGER. This citizen is one of the prominent farmers & an inhabitant of Union Twp., Elkhart Co., Ind. Like many of the representative citizens of the co., he is a native of the buckeye state, born in Shelby Co., Jan. 6, 1840, & was the 3rd child born to Jacob & Catherine(Zarn) Helminger. Jacob Helminger was born in Germany, & there remianed until 20 yrs. of age, when he decided he could better his condition by a residence in the United States. He crossed the ocean to this country, settled in Shelby Co., OH., & there married to Miss Zarn, who died in 1842. Afterward the father married Miss Elizabeth Lewis, & 4 chn. were born to them: Michael, Louis, Sophia, & Elizabeth, all living. The father followed the occupation of farmer, & in connection was also engaged as a carpenter. By his 1st wife, he was the father of 3 chn: Jacob, George(died young), & our subject. In 1851, when the original of this notice was about 11 yrs. of age, the father too passed to that bourne from whence no traveler returns, & as a consequence Christian Helmilinger remembers littles of his parents. After the death of his father, the chn. were scattered, & Christian, who was then but 11 yrs. of age, was thrown on his own resources. Even at that early age, he showed remarkable talent for taking care of himself, & after working on a farm for some time, began carpentering. He grew to manhood in Shelby Co.,

& in 1878 came to Ind. & settled at New Paris, in Elkhart Co., where he worked as a carpenter & contractor, putting up a number of houses & barns in that town & through the co. In 1884, he began as an agriculturist, after having made a success of his trade for many yrs, & is now managing a farm of 160 acres owned by his wife & her sister. He selected his companion in life in the person of Miss Elizabeth Stump, dau. of Samuel Stump, & their nuptials were solemnized in 1885. Mr. Stump & his wife are natives of Canada, but at an early day came to Elkhart Co., where they were married. 7 chn. were born to them, as follows: Mary, born in Elkhart Co.,Jun. 29, 1840, became the wife of John Weldy, of Kosciusko Co.; Sarah, b. Apr. 14, 1842, died Jun. 13, 1882; George b. Dec. 29, 1844, d. Mar. 29, 1847; Magdalene, b. Feb. 7, 1847, is single; Elizabeth, b. Feb. 10, 1849, is the wife of Mr. Helminger; Samuel, b. Jun. 9, 1851, d. Nov. 9, 1873, & Anna b. Dec. 5, 1855, is still living. Mrs. Helminger's mother was formerly a Stump, a dau. of Solomon Stump, & the granddaughter of Abraham Stump. After marriage, Mr. & Mrs. Stump settled in Union Twp. & took up residence on good land, on which they passed the remainder of their days, both dying in the yr. 1880, the father on Feb. 5, when 63 yrs. of age. They were pioneers of the co., & worked hard to get a comfortable home. Honorable & upright in every walk of life, they were highly respected by all, & were classed among the best citizens. They left 240 acres of land to their chn, & Elizabeth, Magdalene & Anna are living on the quarter section left them. Mary, Mrs. Weldy, owns 80 acres & the old home. Mr. Helminger is engaged in general farming & stockraising & has made considerable improvement on the place. In his poli tical belief, he is a Republican, & is considerably interested in the political affairs of the country. He takes an active interest in schools & churches, & all other worthy movements. Pg. 609 & 620 (977.101 Au4hi by McMurray)ADAM HELMLINGER, one of the veteran farmers of Clay township and a substantial landowner of that township, now living practically retired on his well kept place on rural mail route No. 2 out of St. Johns, was born on the farm on which he is now living, a member of one of the pioneer families of that neighborhood, and has lived there all his life, a period of seventy years, and has thus seen that region devleop from its original woodland state. Mr. Helmlinger was born on August 7, 1852, and is a son of Ludwig and Christina (Munch) Helmlinger, Europeans, natives of Alsace-Loraine, who came to America in 1834, following their marriage, the sailing vessel on which they came being nine weeks in making the passage over. They landed at the port of New york and with little delay made their way out here

into western Ohio and settled on the "eighty" which Ludwig Helmlinger entered from the Government in section 20 of Clay township, which was then a part of Allen county, where they established their home. The first home there on their woodland tract was a log cabin, but as they got this place cleared and developed they presently had a more commodious and comfortable home and became well established pioneers of that region. Ludwig Helmlinger was a good farmer and as his affairs prospered he added to his land holdings until he became the owner of 420 acres in Clay township, where he and his wife spent their last days. They were the parents of nine children, three of whom are still living, the subject of this sketch having a sister, Mrs. Elizabeth Knarr, and a brother, Louis Helmlinger. Reared on the farm on which he was born, Adam Helmlinger received his schooling in the little old log school house known as the Eheman school (district no. 7) and from the days of his boyhood has been devoted to the affairs of the farm. He continued helpful in the labors of developing the home place until after his marriage, when he established his home on the "eighty" which he had received from his father, a part of the home place , and has since resided there, in the years that have intervened since then having created there an excellent farm plant. To this tract on which he started farming for himself he has added until now he has 399 acres in Clay township, which he rents out, having some time ago retired from the active labors of the farm. It was in 1883 that Adam Helmlinger was united in marriage to Caroline Regula, who was born and reared in the neighboring county of Shelby, daughter of Peter and Katie (Metz) Regula, and to this union three children have been born, Gus, Amelia, and Luella, all of whom are married. Gus Helmlinger, who is farming a part of the home place, married Barbara Klopfenstein and has three children, Ethel N., Roger W., and Bernice L. Amelia Helmlinger married William Zorn, a Shelby county farmer, and has two children, Levera and Irene, and Luella Helmlinger married Louis Klopfenstein, a Clay township farmer, and has three children, Geraldine, Wilson and Nelson. Event Text: military service event

Officil Roster of the Soldiers of the State of Ohio lists: Frederick Rinehart Rsidence not listed; 32 yrs. old. Enlisted on 11/29/61 as a Private.

On 11/29/61 he mustered into "I" Co. OH 71st infantry. He was mustered out on 11/30/65 (this was sent over Internet by Chris Barngraff, Fairfield, CA 94533.e-mail: cab@castles.com, who had seen my query on OHAUGLAI-L@rootsweb.com)

Sent for Civil War pension papers which are a little confusing. He says his first wife was Catharine Lewis, who died March 1851 Newport, Shelby Co.OH. and that he had one child Frederick Jan. 8, 1850..and that Feb. 15, 1866 he married Catharine Fisher in Hamilton, Butler Co.OH. He resided in Troy, Miami Co.OH. for ten yrs. after disch. then in Dayton, Montgomery Co.OH. for 2 yrs..the Connersville ,IN. then in Brandt, Miami Co.OH. 1880. died 17 Oct. 1901 according to his widow. Says he was only married twice. If he married Elizabeth Lewis in 1859 and Frederick was born in 1850, he must have skipped a wife somewhere.

Subject: Re: Elizabeth Lewis

Dear Lucy,

I saw your query on Roots Lewis-L list, and am wondering if your Elizabeth may be from one of the Lewises who were born in Germany since she married men with German names.

I believe that the Joel Lewis family is a possibility, since the dates are OK but I believe that they are from NJ, take a look at the Germans: I think there is a John Lewis b. 1795 in Germany, wife named Sally, Living in Franklin Tp. Shelby Co OH in 1850.

My next guess, and maybe this is better, would be Thomas Lewis born 1802 in Ohio, wife named Elizabeth, living in 1850 at Loramis, Shelby Co OH. They show daughters Catherine, Delilah and Nancy but it seems logical that the first daughter would be named Elizabeth. They did have a son named after the father, mom probably had an Elizabeth.

Hope this helps,
Joyce in Desert Hot Springs,CA

state, where they were married. In 1851 they came to Auglaize county and settled in Union township, Peter Crouse buying there a tract of land (now included in "Groveland Stock Farm") on which he spent the remainder of his life engaged in farming. He and his wife were the parents of eight children, of whom four now are living, Mrs. Grover having a sister, Sarah, and two brothers, John and Gabriel S. Crouse.

ADAM HELMLINGER, one of the veteran farmers of Clay township and a substantial landowner of that township, now living practically retired on his well kept place on rural mail route No. 2 out of St. Johns, was born on the farm on which he is now living, a member of one of the pioneer families of that neighborhood, and has lived there all his life, a period of seventy years, and has thus seen that region develop from its original woodland state. Mr. Helmlinger was born on August 7, 1852, and is a son of Ludwig and Christina (Munch) Helmlinger, Europeans, natives of Alsace-Lorraine, who came to America in 1834, following their marriage, the sailing vessel on which they came being nine weeks in making the passage over. They landed at the port of New York and with little delay made their way out here into western Ohio and settled on an "eighty" which Ludwig Helmlinger entered from the Government in section 20 of Clay township, which then was a part of Allen county, where they established their home. The first home there on their woodland tract was a log cabin, but as they got this place cleared and developed they presently had a more commodious and comfortable home and became well established pioneers of that region. Ludwig Helmlinger was a good farmer and as his affairs prospered he added to his land holdings until he became the owner of 420 acres in Clay township, where he and his wife spent their last days. They were the parents of nine children, three of whom are still living, the subject of this sketch having a sister, Mrs. Elizabeth Knarr, and a brother, Louis Helmlinger. Reared on the farm on which he was born, Adam Helmlinger received his schooling in the little old log school house known as the Eheman school (district No. 7) and from the days of his boyhood has been devoted to the affairs of the farm. He continued helpful in the labors of developing the home place until after his marriage, when he established his home on the "eighty" which he had received from his father, a part of the home place, and has since resided there, in the years that have intervened since then having created there an excellent farm plant. To this tract on which he started farming for himself he has added until now he has 399 acres in Clay township, which he rents out, having some time ago retired from the active labors of the farm. It was in 1883 that Adam Helmlinger was united in marriage to Caroline Regula, who was born and reared in the neighboring county of Shelby, daughter

of Peter and Katie (Metz) Regula, and to this union three children have been born, Gus, Amelia and Luella, all of whom are married. Gus Helmlinger, who is farming a part of the home place, married Barbara Klopfenstein and has three children, Ethel N., Roger W. and Bernice L. Amelia Helmlinger married William Zorn, a Shelby county farmer, and has two children, Levera and Irene, and Luella Helmlinger married Louis Klopfenstein, a Clay township farmer, and has three children, Geraldine, Wilson and Nelson. The Helmlingers are active members of the Evangelical Lutheran church in section 20, long and familiarly known as the Helmlinger church.

JOHN H. HUT, a well known farmer of Pusheta township, living on rural mail route No. 8 out of Wapakoneta, is a native son of Auglaize county and has lived here the better part of his life. Mr. Hut was born in German township on May 2, 1857, and is a son of Theodore and Mary (Gressbrink) Hut, the latter of whom was born in Kentucky. Theodore Hut was a European by birth, born in the grand duchy of Luxemburg, and was but a lad when he came to this country with his parents, the family proceeding on out into Ohio and settling at Minster not long after the settlement there of the Stallo colony. Theodore Hut grew up there and became a shoemaker. After his marriage he settled on a farm in German township, but some years later moved to Toledo, where he became engaged at his trade. Late in life he returned to Minster, where his last days were spent. He and his wife were the parents of six children, two of whom are still living, the subject of this sketch having a brother, Edward Hut, of Toledo. John H. Hut was but a child when his parents moved to Toledo and he was reared there, receiving his schooling in the schools of that city. As a young man he learned the trade of butcher, becoming thus employed when eighteen years of age, and for nearly twenty years followed that vocation, or until his marriage at the age of thirty-five, when he began farming, renting from his father-in-law, Joseph Baker, the farm of eighty acres on which he is now living in Pusheta township. Following the death of Mr. Baker, Mr. Hut's wife inherited that place and the home has since been maintained there, the family being very comfortably situated. Since coming into charge of this place Mr. Hut has made extensive improvements, these including a new set of buildings on the place, and he now has a well equipped farm plant. In addition to this farm he rents an adjoining “eighty” and thus is farming 160 acres. In connection with his general farming he gives considerable attention to the raising of live stock and is doing well, his sons being valuable aids to him in the operation of the farm. It was on May 27, 1892, that John H. Hut was united in marriage to Anna Baker and to this union ten children were born, eight of whom are living, and but one of whom (George) is married. George Hut married Agnes Sholl

Monroe Zwiebel, 29, is dead at his home five miles north of here along the Dixie Highway today as a result of a crash between his auto & a heavy motor truck a short distance south of his home about 4:30 Sunday morning. He was almost instantly killed when his head was crushed as he was thrown from the light roadster as it crashed head-on against the truck, spun around twice & came to a stop literally a mass of junk, still standing upon its crushed tire, on the brick pavement. The heavy motor truck. Loaded with nine tons of auto parts & assorted freight, was wrecked. Its left front wheel was broken & the truck plunged to the left off the east side of the road. The truck driver, Chester Smith, 26, of 28 Forest Rouge, Michigan, escaped injury. The Sheriff, W. E. Kelley, & Deputy R. C. Ruese, who made the investigation, exonerated him from blame. Zwiebel had been in Wapakoneta Saturday nigh & had been seen as late at 3:30 at the downtown restaurant. He left for home about 4 a. m. the crash occurred at daybreak at the curve a few hundred feet north of the Dixie Diner, a gas station & barbecue, a mile south of Cridersville, Ohio. According to the narrative given to the Sheriff & Deputy, Zwiebel swerved his auto to the life of the highway as he neared the curve, apparently as if to take the inside of the curve as he turned to the left. In doing this he was unmindful of the approaching truck & drove squarely against its front left wheel, driving the wheel back under the big truck & buckling up his own auto. The left door of the light green Chevrolet roadster, burst open by the impact was stripped off by the truck as the latter swerved to the left, & the door was carried over into a strawberry patch at the east side of the road where the truck stopped. A driver for the Greyhound bus system reported the matter first in the city & the sheriff was notified. Smith, the bus driver notified the offices by telephone from the Bernard Winget residence where Zwiebel resided. Mrs. Winget is a sister of the death man. Smith did not tell her that her brother had been killed. Other motorists also reported the matter to local police. Coroner Alfred W. Veit viewed the remains at the mortuary in Cridersville. He pronounced death due to a fractured skill. Swivel's left arm was broken, but his body was not otherwise marked. The truck was six-wheel conveyance, known as a semitrailier. It was a La France Republic type. At Celina the cargo was to be transferred to an Indiana bus & taken on westward. Monroe Robert Zwiebel was the son of the late Philip Zwiebel, of Wapakoneta. He was born near here in 1904. Six brothers & four sisters survive him. They are Anthony Zwiebel, Oscar Zwiebel, & Mrs. Emma baker, of Wapakoneta, Edward Zwiebel, of Bluffton, Ohio, Urban Zwiebel, of Jackson Center, Ohio, Mrs. Elizabeth Maurer, of Lima, Ohio, & Mrs. Bernard Winget, with whom he resided near Cridersville, & Raymond, of Wapakoneta,
